

November Newsletter

Sundre United Church has been bustling with activity in the months of September and October. Recent special events have included:

Turkey Supper/ Silent Auction

On September 29, 2013 two hundred church and community members bought pre-sale tickets for a delicious turkey dinner, complete with pie. Two sittings were held, one at 4:00 pm and one at 5:30 pm. Generous bidding on the silent auction items and warm camaraderie was greatly appreciated.

Comprehensive Review Questionnaire

On September 24, twelve members of the congregation participated in the United Church of Canada's "Comprehensive Review Questionnaire." Facilitated by Tammy Allan, Olds United Church minister, the purpose of the meeting was to provide local feedback on future directions of the United Church.

Simple Supper

On October 17, a simple supper of hot dogs, chilli, ice cream and cookies was served by a few ladies to the Sparks, Brownies, Guides and their families prior to their Enrolment Ceremonies. Sundre United Church values their partnership with the Guiding Organization which meets in the church basement on Thursday evenings at 6:00 pm.

Biblical Pumpkins

On Sunday, October 27 the Sunday school class created pumpkin faces depicting possible emotions of famous biblical characters. People selected were: Samuel, Noah, Jonah, Jacob, Mary, King Herod and the Prodigal Son. The pumpkins, complete with hints, were displayed in the hall and members of the congregation enjoyed guessing the identities.

Olds-Sundre Meeting

Eight members of the Olds United Church Board travelled to Sundre on October 30 to meet with representatives of Sundre's board. After supper, participants enjoyed an opportunity to become better acquainted and then began discussions of possibly sharing resources and personnel in order to better serve our two communities. Margaret Lange, Innisfail United Church minister, facilitated the meeting. Further discussions are planned for the last week of November.
